

Community Living BC (CLBC)

CLBC is a provincial crown agency, mandated under the Community Living Authority Act, that funds supports and services through service agencies for adults with developmental disabilities and their families in British Columbia. CLBC is working to create communities where people with developmental disabilities have more choices about how they live, work and contribute.

The LSS District psychologists and collaborates with representatives from CLBC twice a year to ensure that students who are eligible for CLBC Services and Government Pensions have the updated assessments required from the School District.
